

GAME CAPTURE NEO

GREAT CONTENT MADE EASY

PLUG-AND-PLAY

Connect your gear and select Game Capture Neo in your favorite app. That's it, you're ready to capture your boss battles without having to fiddle with settings.

PLAY AND CAPTURE ON IPAD

Keep your setup minimal and play through your video recording app—no gaming screen necessary. Just connect your iPad using a third-party USB-C cable or adapter.

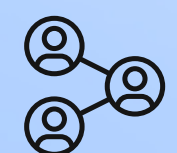

PURE GAMEPLAY

You won't need to reduce your console resolution or worry about latency. Game Capture Neo lets you play the latest titles in all their graphic glory, without lag—up to 4K60 HDR!

FULL HD CONTENT

Share high-quality content that stands out. Your gameplay will be captured in 1080p60 resolution, perfect for streaming or uploading to Twitch and YouTube.

UNLIMITED SHARING

Capture everything you see and hear—gameplay, cutscenes, soundtrack—without watermarks or time limits. Record directly to your hard drive, livestream to your favorite platform, and even share on Discord or TikTok.
