

STREAM DECK NEO

WORKFLOWS MADE EASY

SAIL THROUGH TASKS

From browsing reports to pasting text, Stream Deck Neo streamlines the stuff you do most—no matter how small. So you get more done with less grind.

CONTROL ANY APP

Tap to manage your meetings, music, livestreams, slides, voice chat—anything. Even they're running in the background or minimized.

ALWAYS A GLANCE AWAY

Keep track of important info like notifications, time zones, viewer count, stock prices, and mic status. All updated in real time, with only a look.

SET UP IN SECONDS

Customizing keys is fast and easy. Simply drag and drop actions on any Windows or Mac computer, using powerful Stream Deck software. It's even preloaded with essential actions and profiles to get you started.
